

How do you use the power that God has given you?

God is so powerful that if He causes harm to someone, no one can remove that harm, and if He bestows benefit on someone, no one can prevent it. God is capable, superior, and stronger than all His servants. He is wise and very knowledgeable.

"If God afflicts you with harm, none can remove it but He; and if He grants you some good, He has power over everything" (Al-An'am, 6:17).

"He is the Conqueror, Supreme over His servants; and He is the Wise, the All-Aware" (Al-An'am, 6:18).

How much do you utilize God's capacity to optimize your life?

God is the Creator and Owner of everything. He created everything and then entrusted it to individuals and communities. They must use their talents according to the plan that God has provided through His messengers. At the end of this world, God will hold a great court where all individuals and communities will be questioned. Those who have misused or neglected their talents will suffer loss and misery, while those who use their talents according to the divine plan will succeed. Islam, as God's program, is the only path to success. God does not wrong anyone at any stage of life or during the establishment of the court.

"Indeed, God does not wrong people at all, but it is the people who are wronging themselves" (Yunus, 10:44).

"On the day when He will gather them together, it will seem as if they had not stayed in the world except for an hour of a day, recognizing one another. Those who denied the meeting with God will certainly lose, and they were not guided" (Yunus, 10:45).
