

Do you pay attention to God's help in your life?

God, based on the talents and plans He has given to individuals and societies, knows which of them will succeed and be among the people of paradise, and which will be unfortunate and end up in hell. The system He has established in the world is that every individual or society can choose goodness and enter paradise, or choose evil and end up in hell.

His [devil] companion will say, "Our Lord, I did not make him transgress, but he [himself] was in extreme error." (Qur'an 50:27)

[Allah] will say, "Do not dispute before Me, while I had already presented to you the warning. (Qur'an 50:28)

The word will not be changed with Me, and never will I be unjust to the servants. (Qur'an 50:29)

On the Day We will say to Hell, "Have you been filled?" and it will say, "Are there some more," (Qur'an 50:30)

And Paradise will be brought near to the righteous, not far, (Qur'an 50:31)

[It will be said], "This is what you were promised - for every returner [to Allah] and keeper [of His covenant] (Qur'an 50:32)

Indeed, special provisions are made for everyone to enter paradise, and God extends His general help to all, yet some still end up in hell.

Hisham ibn Salim narrates from Imam Ja'far al-Sadiq (peace be upon him) regarding God's words: "And know that God intervenes between a person and his heart." Imam said: "God intervenes between a person and their knowledge, preventing them from thinking falsehood is truth." It is also said that God intervenes between a person and their heart through death.

Imam al-Sadiq (peace be upon him) further said: "God transfers a person from misery to happiness, but He does not transfer them from happiness to misery." (Bihar al-Anwar, vol. 5, p. 158, hadith 12)

Do you think you belong to the successful or the unfortunate?

Another method by which God helps individuals and societies achieve success is through divine aid (Nasr). This special assistance from God benefits the believers and those who are on the correct path to success...
