

You do not engage in any work, neither do you recite any part of the Quran, nor do you perform any deed without Our being witness over you when you are engaged therein. Not an atom's weight escapes your Lord in the earth or in the sky, nor [is there] anything smaller than that nor bigger, but it is in a manifest Book. (Yunus, 61)

Look! The friends of Allah will indeed have no fear nor will they grieve (Yunus, 62)

—those who have faith and are Godwary. (Yunus, 63)

For them is good news in the life of this world and in the Hereafter. (There is no altering the words of Allah.) That is the great success. (Yunus, 64)

The righteous enjoy the vision of God, while the wicked are in torment.

****C) Protection from Danger****

One of the ways God helps individuals and communities succeed is by protecting them from danger. Successful individuals and communities, upon entering difficult situations, face hostilities and enemies.

That is how for every prophet We appointed as enemy the devils from among humans and jinn, who inspire each other with flashy words, deceptively. Had your Lord wished, they would not have done it. So leave them with what they fabricate, (Al-An'am, 112)

Allah will indeed defend those who have faith. Indeed Allah does not like any ingrate traitor. (Al-Hajj, 38)

If the faithless fight you, they will turn their backs [to flee]. Then they will not find any protector or helper.

[It is] Allah's precedent that has passed before, and you will never find any change in Allah's precedent. (Al-Fath, 22-23)_
